

## SUMMER 2017 Modules-UG (CU)

| Module Code  | Module Title  |
|--------------|---|
| BUSS 0021    | Marketing   |
| BUSS 10001   | Omani Business Environment Studies                    |
| CCST 0001    | Omani Studies   |
| CIVL 0018    | Hydraulics 2  |
| CIVL 0019    | Concrete and Concrete Structures                      |
| CIVL 0034    | Construction Finance                                  |
| CIVL 0036    | Management Systems in Construction                    |
| COMP 0301    | Fundamentals Of Relational Database Management System |
| COMP 0304.1  | Object Oriented Paradigm                              |
| COMP 0311    | Operating Systems                                     |
| COMP 0312.1  | Software Engineering                                  |
| COMP 0324.1  | Advanced Computer Hardware                            |
| COMP 0326    | Internet Administration                               |
| COMP 0328.1  | Object Oriented Programming                           |
| COMP 0331.2  | Internet Programming                                  |
| COMP 0335    | .Net Programming                                      |
| COMP 0336    | Database Administration                               |
| COMP 0341A   | Routing Protocols                                     |
| COMP 0352.1  | Database Application Development                      |
| COMP 0365    | Introduction to Information Systems                   |
| COMP 0377    | Object Oriented Design Using UML                      |
| COMP 0400    | Information Security Management                       |
| COMP 10006   | Fundamentals of Computer Networks                     |
| COMP 20006   | Front End Applications Development                    |
| COMP 20014   | Advanced Programming                                  |
| COMP 30021   | Database Administration                               |
| ELCT 20002.1 | Entrepreneurship and New Venture Creation             |
| ELEC 0305    | Electromagnetic Fields                                |
| ELEC 0334    | Microcontroller Architecture and Interfacing          |
| ELEC 20004   | Digital Communication                                 |
| ELEC 30001   | Digital Signal Processing                             |
| ELEC 30006   | Radar theory and Satellite Communication Systems      |
| LANG 0001    | English for Special Purpose                           |
| LANG 0002.1  | Job Skills  |
| MASC 0007    | Probability And Statistics                            |
| MASC 0302.1  | Calculus and Numerical Methods                        |
| MASC 0310    | Discrete Mathematics                                  |
